Interexy's Team Composition

Why Choose Interexy?

01

Expertise

We hire only middle+/senior developers with in-depth expertise.

02

Involvement

We offer developers for 168h per month, meaning they only work on your project as full-time employees.

03

Speed

We provide engineers within 5 business days from the first contact.

04

Guarantees

We replace the specialists within 5 business days if you aren't satisfied with the performance.

05

Top Talent

We hire only the top 2% of talents from the market, ensuring exceptional expertise, skills, and reliability.

06

Reliability

An account manager and internal tech leads will be available to support our developers throughout the project.

07

Flexibility

We offer a flexible approach to payments - sprint-based or once-a-month.

08

Agile

We guarantee a smooth and transparent development process and keep you updated each step of the way.
