

Delivering innovative enterprise solutions for web & mobile across industries

ABOUT VT NETZWELT

Since 2013, VT Netzwelt has evolved into a globally recognized brand for the development of award winning web, mobile and e-commerce applications.

With a dedicated team of 150+ experts across multiple disciplines in Germany, USA and India, our true passion lies in solving complex technical challenges and enabling our clients success.

Our clients include stock-listed companies, leading MNCs, and innovative early-stage start-ups, all committed to quality, agile processes, sustainability, and technical excellence.

OUR CORE VALUES

To ensure long-term success and sustainability, our organisation's culture, operations, and processes are firmly guided by a set of core values. These values were carefully developed through an extensive collaborative effort involving the entire team.

-  Respect, Humility and Support throughout
-  Owners rather than Providers
-  Innovate & Rethink
-  Passion & Focus
-  Home to become your best self
-  Pragmatism : Simple and Less is more
-  'A' Player + 'A' Player = A ∞
-  Think Big & Grow Big
