Online Video - Customer and Product Journeys
Wireframes and Designs

SOLUTION

● **How did you find Motionify?**

1. Online Search
2. Referral

● **What is the team composition?**

I believe I worked with one person from their team.

● **Why did you select Motionify over others?**

- High ratings
- Close to my geographic location
- Pricing fit our budget
- Good value for cost
- Company values aligned

● **How many teammates from Motionify were assigned to this project?**

2-5 Employees

● **Describe the scope of work in detail. Please include a summary of key deliverables**

Motionify has done UX/UI design and animated work for our end-customers. Also, they have done online video production works that is customer/ product journey and explanatory video/demo for our own Product. This work has given on a correct and exact time and the deliverables are neat and quality

RESULTS & FEEDBACK

● **What were the measurable outcomes from the project that demonstrate progress or success?**

Their commitment to the project assigned was very good and all their resources stick to their timeline which was great success to our end-customers. Their quality and pricing was very impressive.

● **Describe their project management. Did they deliver items on time? How did they respond to your needs?**

Yes they deliver items on each modules on time. we always have a Daily standup meeting through MS Team. So, communication to us through Virtual meeting and whatsapp messaging gives us a very good clarity to discuss on the challenges

● **What was your primary form of communication with Motionify?**

Virtual Meeting
Email or Messaging App

● **What did you find most impressive or unique about this company?**

Their affordable pricing and commitment to their work are very impressive.

● **Are there any areas for improvement or something Motionify could have done differently?**

They are good at what they want to deliver. I would recommend to my other clients as well.
